As such, we encourage readers to make due inquiry of town officials with respect to information requests or needs, should the easy-to-use information here prove incomplete or inaccurate.

TAX ADJUSTMENT METHODS

NOTE: The two methods described below are set forth to illustrate the two most commonly used methods. The contract between buyer and seller may refer to one of these methods, or may incorporate the custom of the county bar association. The parties' agreement will always control the tax adjustment method.

UNIFORM FISCAL YEAR METHOD

(adjusted as though taxes are paid in advance)

Closing Date: September 15, 2010

Grand List would be October 1, 2009

Taxes are due 7/1/2010 & 1/1/2011

(assuming two installments a year)

Installment due 7/1/2010 covers the period 7/1/2010 through 12/31/2010

Installment due 1/1/2011 covers the period 1/1/2011 through 6/30/2011

Adjustment: 9/15/2010 to 12/31/2010 as a credit to SELLER

(assuming 7/1/2010 installment has been paid)

ASSESSMENT YEAR METHOD

(adjusted as though taxes are paid in arrears)

Closing Date: September 15, 2010

Grand List would be October 1, 2009

Taxes are due 7/1/2010 & 1/1/2011

(assuming two installments a year)

Installment due 7/1/2010 covers the period 10/1/2009 through 3/31/2010

Installment due 1/1/2011 covers the period 4/1/2010 through 9/30/2010

Adjustment: 4/1/2010 to 9/15/2010 as a credit to BUYER

(assuming 7/1/2010 installment has been paid)

QUARTERLY INSTALLMENT MUNICIPALITIES:

The two methods of adjustment are the same as described above, except that each installment covers a three-month period rather than a six-month period. Installments are due on the July 1st, October 1st, January 1st and April 1st following the October 1st Grand List.

For the Uniform Fiscal Year Method, the installment due 7/1/2010 covers the period 7/1/2010 through 9/30/2010.

Using the Assessment Year Method, however, the period covered for that same 7/1/2010 installment is 10/1/2009 through 12/31/2009.

MUNICIPAL CONVEYANCE TAXES

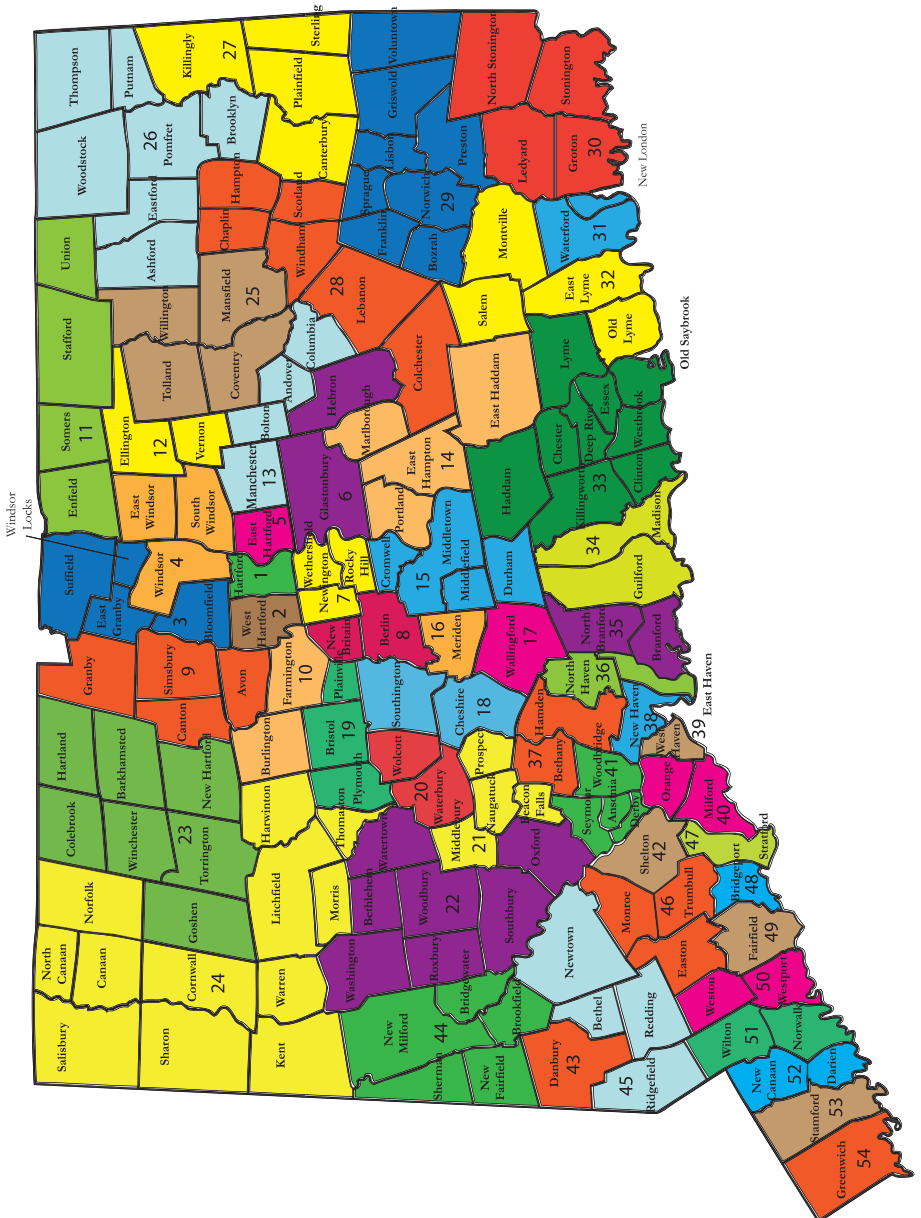

Municipal Conveyance Tax is 0.25% of total consideration paid for the property. Checks for municipal conveyance tax should be made payable to the applicable town clerk.

For all municipalities **except** for those shown below, use this calculation: total consideration paid X 0.25% = Municipal Conveyance Tax.

For the municipalities listed in the chart below, multiply the total consideration paid times the rate shown to calculate the Municipal Conveyance Tax:
